	Appointment Date: 7/1/2011							

<b>Executive Summary</b>
<p>Please provide a <i>plain-language summary</i> of this continuation plans in terms of implementing key strategies, engaging the community, enacting Receivership, and choosing Level 1 and Level 2 indicator data. The summary should be written in terms easily understood by the community-at-large. Please avoid terms and acronyms that are unfamiliar to the public and limit the summary to <u>no more than 500 words</u>.</p>
<p>This continuation plan focuses on ensuring that all Level 1 (selected by the State Education Department) and Level 2 indicators (selected by the Community Engagement Team) goals are met. 11 of the 12 indicators are focused on increasing student achievement for all students either on the NYS state assessment for ELA, Math and Science or the districts local NWEA benchmark assessment. As a result, a significant focus of the continuation plan centers on providing professional development and coaching support focused on increasing lesson rigor, using standards based instruction and learning targets for all grade levels. The instructional support will be provided based on student data to ensure that teachers and students receive differentiated supports aligned to identified needs. School administrators will utilize their walkthroughs as an opportunity to provide ongoing feedback to teachers and to monitor the impact of the professional development and</p>

coaching support on student achievement. The results of their walkthroughs and an analysis of data will be shared with the school's leadership teams (Building Leadership Team, Community Engagement Team, Community School Advisory Team) so that any course corrections that may be necessary are developed to ensure continuous progress.

Chronic absenteeism is an additional indicator and the key strategies focus on increasing communication to the school community about the importance of attendance, attendance celebrations, continuous monitoring of student absences and increasing programs and supports to remove barriers to attendance.

The Community Engagement team reviewed and provided feedback with regard to the development of the Continuation Plan. The team will meet, at a minimum, four times per year. These meetings will be scheduled prior to the submission of all reports regarding the progress the school is making on the implementation of the plan and the progress towards meeting the annual indicators.

As of the submission of this Continuation Plan, the Receiver(Superintendent) has not enacted any receivership powers. Negotiations with the teachers union are expected to begin in August 2019.

**Attention** – This document is intended to be completed by the School Receiver and/or its designee and submitted electronically to [OISR@NYSED.gov](mailto:OISR@NYSED.gov). It is a plan for the implementation and outcomes of key strategies related to Receivership, and as such, should not be considered a formal evaluation on the part of the New York State Education Department. This document serves as the continuation plan for Receivership schools receiving School Improvement Grant (SIG) funds. Additionally, this document serves as the planning instrument for Receivership schools with School Comprehensive Education Plans (SCEP). The continuation plan in its entirety must be posted on the district web-site.

**Please note** - All prompts submitted under the "2019-20 School Year Continuation Plan" heading should directly align with or be adaptations to the previously approved intervention plans (SIG, or SCEP), and must have input from community engagement teams.

**Directions for Part I and II** - District and school staff should respond to the sections of this document by both analyzing and summarizing the key strategies that will be addressed in their 2019-2020 Continuation Plan in light of their anticipated level of implementation and their anticipated impact on student learning outcomes. The 2019-2020 Continuation Plan is an opportunity for district and school staff to present their proposed actions and adaptations for the upcoming school year. This is intended to create the framework by which the school transitions from the current year to the upcoming school year in a manner that represents continuous and comprehensive planning. The District should ensure the key strategies address the needs of all learners, particularly the needs of subgroups of students and those at risk for not meeting the challenging State academic standards. District and school staff should consider the impact of proposed key strategies on student learning, as well as the long-term sustainability and connectivity of those key strategies to diagnostic review feedback.

**Part I – Demonstrable Improvement Indicators (Level 1)**

<b>LEVEL 1 Indicators</b>						
Please list the school’s Level 1 indicators and complete all columns below. This information provides details about the likelihood of meeting the established targets. If you choose to send us data documents that you reference, simply send a sample page or example, rather than the entire document. Your analysis of your data is the focus.						
Identify Indicator	Baseline	2019-20 Progress Target	Anticipated Status (R/Y/G)	What will be the SCEP/SIG goals and/or key strategies that will support progress in this demonstrable improvement indicator? Include a discussion of any adjustments made to key strategies since the last reporting period and a rationale as to why these adjustments were made.	What will be the formative data points that will be utilized to assess progress towards the target for this demonstrable improvement indicator?	2019-20 School Year Continuation Plan for Meeting this Indicator
33 ELA All Students MGP	41.9	43.9		<ul style="list-style-type: none"> <li>increase lesson rigor using standards based instruction and learning targets</li> </ul>	<ul style="list-style-type: none"> <li>NWEA Benchmark Assessment (CGP and Projected Proficiency)</li> <li>Curriculum Checkpoint Assessments</li> <li>Data Team Short Cycle Assessments</li> </ul>	<ul style="list-style-type: none"> <li>ELA Instructional Coach and administrators will analyze writing curriculum resources to ensure that students are provided with regular and ample opportunities to develop writing stamina, content, and voice throughout the year.</li> <li>Academic Coach for Reading will provide quarterly professional development (PD) to teachers in grades k-5, with topics focused on Next Generation Standards; learning targets; developing rigorous tasks; and Data Driven Instruction (DDI).</li> <li>Based on March 2019 informal walkthrough anecdotal data, ELA</li> </ul>

						<p>Instructional Coach will provide all instructional staff professional development on NYS Learning and Next Generation standards. PD will focus on using standards to inform instruction and begin development of learning targets.</p> <ul style="list-style-type: none"> <li>● ELA Instructional Coach will provide all instructional staff with the writing support resource. Administrators will provide explicit guidance on expectations for writing within the 2019-2020 school year.</li> <li>● Administrators will conduct Informal walkthroughs of all instructional staff (minimum of four per week; per administrator), to collect a baseline of learning targets posted as related to instruction being delivered.</li> <li>● Using 2018-2019 VADIR data, ELA Instructional Coach and Behavioral Specialist will support classroom teacher practice via coaching cycles, peer observations and individual coaching opportunities, so that classroom instruction is reflective of strategies that support student achievement and social emotional well-being, based on homerooms that did not meet 80% on the benchmark for behavior.</li> <li>● BLT will analyze the information in walkthroughs to support development of PD to be offered to instructional staff in November 2019.</li> </ul>

<b>Green</b>	Expected results for this phase of the project will be fully met, work will be on budget, and the school will fully be implementing this strategy <i>with impact</i> .				<b>Yellow</b>	Some barriers to implementation / outcomes / spending will exist; with adaptation/correction school will be able to achieve desired results.	<b>Red</b>	Major barriers to implementation / outcomes / spending will be encountered; results are at-risk of not being realized; major strategy adjustment will be required.

***Part II – Demonstrable Improvement Indicators (Level 2)***

**LEVEL 2 Indicators**

Please list the school's Level 2 indicators and complete all columns below. This information provides details about the likelihood of meeting the established targets. If you choose to send us data documents that you reference, simply send a sample page or example, rather than the entire document. Your analysis of your data is the focus.

Identify Indicator	Baseline	2019-20 Progress Target	Anticipated Status (R/Y/G)	What will be the SCEP/SIG goals and/or key strategies that will support progress in this demonstrable improvement indicator? Include a discussion of any adjustments made to key strategies since the last reporting period and a rationale as to why these adjustments were made.	What will be the formative data points that will be utilized to assess progress towards the target for this demonstrable improvement indicator?	2019-20 School Year Continuation Plan for Meeting this Indicator
8 Curriculum Development and Support (DTSDE Tenet 3)	NA	50% of Phase 2 indicators 4 Phase 3 indicators 90% of Phase 1 indicators		<ul style="list-style-type: none"> <li>provide students with rigorous, coherent, and relevant curricula that prepares students for success. ***Part III – Additional Key Strategies – (As applicable)***

*(This section should only be completed as needed, for strategies not already listed in Parts I and II.)*

<b>Key Strategies</b>				
Identify any key strategies that will be implemented during the 2019-2020 school year that are <i>not described in Part I or II above but</i> will be embedded in the approved intervention plan/budget and are instrumental in meeting projected school improvement outcomes. Identify the evidence that will support your assessment of implementation/impact of key strategies, the connection to goals, and the likelihood of meeting targets set forth in the intervention plan. Responses should be directly aligned with their previously approved intervention plans (SIG or SCEP) and should include evidence and/or data that will be used to make determinations. If the school has selected the SIG 6 Innovation Framework model, please include as one of the key strategies the analysis of effectiveness of the lead partner working with the school if not described in Part I and II above.				
List the Key Strategy from your approved intervention plan (SIG or SCEP).	Status (R/Y/G)	2019-20 School Year Continuation Plan		
1.				
2.				
3.				
4.				
5.				
<b>Green</b>	Expected results for this phase of the project will be fully met, work will be on budget, and the school will fully be implementing this strategy <i>with impact</i> .	<b>Yellow</b>	Some barriers to implementation / outcomes / spending will exist; with adaptation/correction school will be able to achieve desired results.	<b>Red</b> Major barriers to implementation / outcomes / spending will be encountered; results are at-risk of not being realized; major strategy adjustment will be required.

## Part IV – Community Engagement Team and Receivership Powers

<b>Community Engagement Team (CET)</b>			
Describe the type, nature, frequency and outcomes of meetings conducted by the CET and its sub-committees that will be charged with addressing specific components of the CET Plan. Describe outcomes or potential outcomes of the CET plan implementation, school support, and dissemination of information. Please identify any changes in the community engagement plan and/or changes in the membership structure of the CET for the 2019-20 School Year.			
Status (R/Y/G)	Report Out of CET Plan Implementation		
	The community engagement team met to review data relevant to Receivership and participated in the selection of level 2 indicators. The team also met to review and provide input into the development of the Continuation Plan. As described in the community engagement plan, the CET will meet quarterly at a minimum. The quarterly meeting will occur prior to the submission of quarterly reports and the development of the continuation plan. The meetings are established to provide opportunities for the CET to provide input on the development of the continuation plan and to monitor its implementation. The building principal will ensure that the CET receives all necessary reports, data and information to enable them to assess the impact of the comprehensive education plan.		
<b>Powers of the Receiver</b>			
Describe the anticipated use of the School Receiver’s powers for Cohort 1 and 2 Schools for the 2019-2020 school year (pursuant to those identified in CR §100.19). Discuss the goals and the impact of those powers.			
Status (R/Y/G)	Report Out		
	The School Receiver has initiated negotiations with the teachers’ union focused on changes to common planning and professional development. These negotiations are expected to begin in August 2019.		
<b>Green</b>	Expected results for this phase of the project will be fully met, work will be on budget, and the school will fully be implementing this strategy <i>with impact</i> .	<b>Yellow</b>	Some barriers to implementation / outcomes / spending will exist; with adaptation/correction school will be able to achieve desired results.
		<b>Red</b>	Major barriers to implementation / outcomes / spending will be encountered; results are at-risk of not being realized; major strategy adjustment will be required.

***Part V – Budget – (As applicable)***

<b><i>Budget Amendments</i></b>
<p>ALONG WITH THIS CONTINUATION PLAN, PLEASE SUBMIT <b>AS APPLICABLE</b>:</p> <ul style="list-style-type: none"> <li>• SIG FS-10 2019-20 BUDGET AND BUDGET NARRATIVE <b>AS APPLICABLE</b>.</li> </ul> <p><b>PLEASE SUBMIT ANY NECESSARY CSG AND PSSG AMENDMENTS</b></p> <p>BUDGET FORMS ARE AVAILABLE AT: <a href="http://www.oms.nysed.gov/cafe/forms/">http://www.oms.nysed.gov/cafe/forms/</a>.</p>

***Part VI: Best Practices (Optional)***

<b><i>Best Practices</i></b>	
<p>The New York State Education Department recognizes the importance of sharing best practices within schools and districts. Please take this opportunity to share one or more best practices that will be implemented in the 2019-2020 school year that will result in significant improvements in student performance, instructional practice, student/family engagement, and/or school climate. It is the intention of the Department to share these best practices with schools and districts in Receivership.</p>	
<p>List the best practice that will be or is currently being implemented in the school.</p>	<p>Describe a best practice that will be in place for the 2019-20 school year in terms of its impact on the implementation of the plan. Discuss the evidence that will be used to determine its success. Discuss the possibility of replication in other schools.</p>
